Revitalize your network with CXtec.

As a healthcare institution, you're faced with serious IT challenges. Whether it's improving patient care, being HIPAA compliant or ensuring the security of Electronic Medical Records, you have plenty to consider when it comes to upgrading your network. And with a growing need for wireless capabilities, RFID tagging and support for Photo Archive Communication Systems, you need an all-in-one provider who can work with you to help you reach your networking objectives.

With years of healthcare IT industry experience, CXtec's dedicated healthcare team can help. As a supplier for HealthTrust Purchasing Group, you can count on us to custom-tailor solutions to meet your time frame, budget and specific healthcare needs. If you're looking for a provider who has a deep understanding of your unique issues and technology challenges, look no further than CXtec. Our experts stay current on all healthcare requirements and mandates and are committed to helping you maximize your efficiency while reducing overhead costs.

No matter what types of networking hardware you need – new technology, manufacturer authorized refurbished, equal2new® certified pre-owned, CABLExpress® Cables or a mix of each – our healthcare team can provide customized solutions built around your needs, time frame and budget. It's all part of our trademark Technology @ Your Pace® philosophy developed to ensure we keep your network up to speed as your needs and budget dictate. ;-)
