ALL ORDERS PLACED WITH CXTEC (“SELLER”) ARE SUBJECT TO THESE TERMS AND CONDITIONS (“TERMS AND CONDITIONS”), UNLESS SUPERCEDED BY A MASTER AGREEMENT SEPARATELY EXECUTED BETWEEN THE PARTIES (“AGREEMENT”), AND ALL ADDITIONAL TERMS AND CONDITIONS PRESENTED ON OR ACCOMPANYING A SELLER QUOTE OR RELATED DOCUMENT. SALE OF ANY PRODUCTS OR SERVICES BY SELLER IS EXPRESSLY CONDITIONED ON BUYER'S ASSENT TO THESE TERMS AND CONDITIONS. NO TERM OR CONDITION CONTAINED IN BUYER'S PURCHASE ORDER OR SIMILAR DOCUMENT WILL APPLY UNLESS AGREED UPON BY SELLER, EVEN IF SELLER HAS ACCEPTED THE ORDER SET FORTH IN SUCH PURCHASE ORDER, AND ALL SUCH TERMS OR CONDITIONS ARE OTHERWISE HEREBY EXPRESSLY REJECTED BY SELLER. NO MODIFICATION OR CLAIMED WAIVER OF ANY PROVISION HEREIN SHALL BE VALID EXCEPT BY WRITTEN AMENDMENT SIGNED BY AN AUTHORIZED REPRESENTATIVE OF SELLER. THESE TERMS AND CONDITIONS REPRESENT THE ENTIRE AGREEMENT OF THE PARTIES AS TO ANY ORDER PLACED BY BUYER AND ACCEPTED BY SELLER (“ACCEPTED ORDER”), EXCEPT WHERE SELLER HAS AGREED TO OTHER OR ADDITIONAL TERMS AND CONDITIONS IN WRITING BY ITS AUTHORIZED AGENT.

1. ACCEPTANCE. All orders are subject to credit approval and written (either printed or electronic) acceptance or acknowledgement by Seller at Seller's home office, in its sole discretion, regardless of the location of Buyer or Seller's sales representative.

2. PRICE. Errors or omissions in price are subject to correction. Prices are quoted as determined by Seller in US dollars (USD) and will remain open for the time period specified in each Quotation. Freight, customs fees, tariffs, VAT, duties, freight forwarder fees, consular fees, taxes, however designated and all other costs after shipment are Buyer's obligations. Seller will bill Buyer for all applicable taxes, unless Buyer provides an exemption certificate, and provided that, if Seller is not registered to collect and remit sales and/or use taxes in the jurisdiction where product is shipped at Buyer's request, then Buyer hereby agrees that it shall pay and remit all applicable VAT, sales and/or use taxes to the proper taxing authority and shall indemnify Seller from any liability related to the payment, underpayment or nonpayment thereof.

3. PAYMENT. All payments shall be made in US Dollars via check, ACH or other electronic means agreed between the Parties. Unless otherwise agreed to in writing by Seller, payment terms are net thirty (30) days from the date of Seller's invoice. All invoices will be rendered electronically as shipments are made, Seller shall not be responsible for providing hard copies of invoices, shipping receipts or any other documentation to Buyer. Credit card charges will be subject to the current market fees. Seller may impose late charges of 1.5% per month, or the maximum permitted by law, on all outstanding balances. 4. SHIPMENT/SERVICE. Shipment and service dates are estimated in good faith but are not guaranteed by Seller. After an order is accepted, Buyer may not change shipment and services dates without Seller's written consent. Seller will not be held liable for any late delivery charges. Shipments will be made F.O.B. origin prepaid and add, Syracuse, New York or such other location as Seller shall select. Accepted Orders may be tendered in partial shipments at Seller's discretion.

5. FORCE MAJEURE/DELAYS IN DELIVERY. Except for each Party's payment obligations hereunder, neither Party shall be liable for a failure to perform to the extent that the delay or failure was caused by an event beyond such Party's reasonable control, which events may include natural disasters, epidemics, pandemics, quarantines, embargoes, explosions, riots, government action, wars, acts of terrorism or acts of God (each, a "Force Majeure Event"). Each Party shall use commercially reasonable efforts to ensure that the effects of any Force Majeure Event are minimized and resume full performance under these Terms and Conditions as soon as practicable.

6. TITLE, RISK OF LOSS AND INSURANCE. Title, risk of loss and insurance responsibilities pass to Buyer upon delivery of products by Seller to a shipping agent or carrier.

7. CANCELLATIONS AND CHANGES.

(a) Cancellation of any Accepted Order, in whole or in part, is subject to Seller's receipt of Buyer's written notice of such cancellation prior to any product being shipped or released for shipment. In the event of any such cancellation, Buyer shall be responsible for any reasonable costs and expenses (including, without limitation, expenses and commitments to Seller's suppliers and subcontractors) incurred by Seller prior to Seller's receipt of the cancellation notice. Notwithstanding the foregoing, Orders for custom, special or non-standard products and/or services, as well as any third-party Original Equipment Manufacturer's (each an "OEM") products and services not cancellable under such OEM terms and conditions, are final and non-cancelable.

(b) Seller reserves the right to cancel an Accepted Order in whole or in part if, in Seller's judgment, Buyer's financial condition does not justify the terms of payment specified.

(c) Each party may at any time propose changes to an Accepted Order. Seller is not obligated to proceed with any change until both parties agree upon such change in writing. The written change documentation will describe changes in Product type, quantity and schedule for delivery, and the resulting changes in price and other provisions, as agreed.

(d) It shall be acceptable and not considered a change if Seller delivers a Product that bears a different, superseding or new part or version number compared to the part or version number listed in the Accepted Order.

9. EXPORT LICENSES AND PERMITS.

(a) Seller warrants that it is in compliance with applicable U.S. export regulations. Buyer shall be responsible for procuring all applicable import licenses and complying with all import regulations.

Buyer shall comply with all Export/Import Laws and Regulations. Buyer certifies that it will not directly or indirectly export, re-export, transmit, or cause to be exported, re-exported or transmitted, any Controlled Items to any country, individual, corporation, organization, or entity to which such export, re-export, or transmission is restricted or prohibited, including any country, individual, corporation, organization, or entity under

sanctions or embargoes administered by the U.S. Departments of State, Treasury or Commerce, the European Union, or any other applicable government authority. Buyer certifies that it will not use any Product purchased from Seller in relation to nuclear, biological or chemical weapons or missile systems capable of delivering same or the development of any weapons of mass destruction. Buyer certifies that it is not an embassy, agency or subdivision of a non-U.S. government. Seller reserves the right to require Buyer to sign an Export Statement of Assurance, and to provide further details regarding Buyer's intentions for the Products (including final destination, intended end use and intended end user) prior to shipment. Buyer's failure to provide such assurance and information upon request may result in Seller's cancellation of any pending Quote or Order.

(c) Buyer acknowledges that it is Buyer's responsibility to obtain any license to export, re-export, import into any other country, or transmit any Controlled Items as may be required under any applicable export/import control laws or regulations. Buyer shall not export, re-export, import to any other country, or transmit any Controlled Items except in accordance with all applicable laws, and regulations.

(d) Buyer shall not give any Foreign Person (including Buyer's own non-U.S. employees or affiliates) access to Technical Data, software or Defense Articles, or provide an unauthorized Defense Service as those terms are defined in the applicable Export/Import Laws and Regulations without the prior written consent of Seller. Any request for such consent must state the intended recipient's citizenship(s), and status under 8 U.S.C. 1101 and 8 U.S.C. 1324 (the "Immigration and Naturalization Act"), and such other information as Seller may reasonably request. No consent granted by Seller in response to Buyer's request under this paragraph 9(d) shall relieve Buyer of its obligations to comply with the provisions of this Article 9 or the Export Laws and Regulations, nor shall any such consent constitute a waiver of the requirements of this Article 9, nor constitute consent for Buyer to violate any provision of the Export Laws and Regulations.

(e) Buyer shall indemnify, defend and save harmless Seller from and against any and all damages, liabilities, penalties, fines, costs, and expenses, including reasonable attorneys' fees, arising out of claims, suit, allegations or charges of Buyer's failure to comply with the provisions of this Article 9 and breach of the acknowledgements and certifications set forth in paragraphs 9(b), (c) and (d). Any failure of Buyer to comply with the requirements or any breach of the acknowledgements and certifications contained in this Article 9 shall be a material breach of these Terms and Conditions.

10. PACKING. Products will be packed or packaged for shipment in accordance with Seller's standard commercial practices.

11. TECHNICAL DATA. All Seller's drawings, data, designs, tooling, equipment, procedures, engineering changes, inventions, and all other information, technical or otherwise which was developed, made or supplied by Seller in the sale of any product, or the performance of any service sold, rendered or licensed hereunder will be and remain the sole property of Seller and no license is implied by the sale.

(b) Buyer agrees that all Products and Services provided by Seller meet the definition of "commercial-off-the-shelf" ("COTS") or "commercial item" as those terms are defined in Federal Acquisition Regulation ("FAR") 2.101. 15. PRODUCT RETURNS. Immediately upon Buyer's receipt of any goods shipped hereunder, Buyer shall inspect the same and shall notify Seller in writing of any claims for shortages or damages. Each shipment shall be deemed irrevocably accepted five (5) business days following the date of delivery, unless notice is given pursuant to Seller's Product Return Policy in effect on the date of the return. See www.cxtec.com/CXtecProductReturnPolicy. The terms of this policy are incorporated into these Terms and Conditions as if set forth herein.

(a) Buyer may order Services from or through Seller from time to time from one or more OEMs, including, but not limited to, extended warranty services, which are sold by Seller as a distributor or sales agent ("OEM Services").

(b) Buyer shall consider the OEM to be the contracting party for all OEM Services. The OEM shall be the party responsible for providing OEM Services to Buyer, and the OEM shall be solely responsible to Buyer for any loss, claims or damages arising from or related to the provision of such OEM Services. Buyer and Buyer's Affiliates (defined below) hereby release Seller and Seller's Affiliates (defined below) from any and all claims arising from or relating to the purchase or provision of any such OEM Services. Any amounts, including, but not limited to, taxes, associated with OEM Services which may be collected by Seller will be collected solely in the capacity as an independent sales agent. "Affiliate" means, with respect to a party, an entity that controls, is controlled by, or is under common control with such party.

(c) The terms of any contract for Professional Services from Seller will be contained in these Terms and Conditions and one or more separate agreements (each, a "Related Agreement"), including but not limited to, a Statement of Work or Change Order. Each

Statement of Work shall incorporate these Terms and Conditions and constitute a separate agreement with respect to the Services performed. In the event of a conflict between any term or condition of the above referenced Agreements and these Terms and Conditions, the conflict will be resolved by giving precedence in the following order: (i) the Change Order; (ii) the Statement of Work; and (iii) these Terms and Conditions.

(d) Buyer shall perform any specific Buyer's duties set forth in any applicable Statement of Work, and Buyer further agrees to cooperate with Seller in connection with performance of the Services by providing: (i) timely responses to Seller's inquiries and requests for approvals and authorizations, (ii) access to any information or materials reasonably requested by Seller which are necessary or useful as determined by Seller in connection with providing the Services, including, but not limited to, physical and computer access to Buyer's computer systems, and (iii) all Required Consents necessary for Seller to provide the Services. (e) Seller will follow all reasonable Buyer security rules and procedures, as communicated in writing by Buyer to Seller from time to time.

When the Services are performed at Buyer's premises, Seller shall attempt to perform such Services within Buyer's normal business hours unless otherwise jointly agreed to by the parties. Buyer shall also provide Seller access to Buyer's facilities and staff and any other Buyer resources (and when the Services are provided at another location designated by Buyer, the staff and resources at such location) that Seller determines are useful or necessary for Seller to provide the Services. When the Services are provided on Buyer's premises or at another location designated by Buyer, Buyer agrees to maintain adequate insurance coverage to protect Seller and Buyer's premises and to indemnify and hold Seller and its representatives and Affiliates, and its and their agents and employees harmless from any loss, cost, damage or expense (including, but not limited to, attorneys' fees and expenses) arising out of any product liability, death, personal injury or property damage or destruction occurring at such location in connection with the performance of the Services, other than solely as a result of Seller's gross negligence or willful misconduct.

(g) When Product is procured from Seller in which Services will be performed prior to shipping to Buyer's location, Buyer shall accept ownership of all Product delivered to the Seller's facility at the time Seller's engineering resources begin Services as outlined in an executed Statement of Work. Either party may terminate an individual Accepted Order upon the other party's material breach of these Terms and Conditions, provided that (a) the non-breaching party sends written notice to the breaching party describing the breach in reasonable detail, (b) the breaching party does not cure the breach within twenty (20) days following its receipt of such notice (the "Notice Period"), and (c) following the expiration of the Notice Period, the non-breaching party sends a second written notice to the breaching party indicating the non-breaching party's election to terminate the Accepted Order. In the event of any proceedings by or against Buyer in bankruptcy or insolvency, or for appointment of any receiver or trustee, or any general assignment for the benefit of creditors, Seller, in addition to any other remedy provided it by applicable law or in equity, or other right reserved to it elsewhere in these Terms and Conditions, and without any liability to Buyer on account thereof, and with or without terminating this Accepted Order, may withhold any further shipment(s) to Buyer; and Buyer shall be liable to pay to Seller any damages incurred by Seller as a result thereof. Buyer agrees that a breach by Buyer of any other agreement between Buyer and Seller, whether or not related to this Accepted Order or the goods sold hereunder, constitutes a material breach under this Accepted Order, thereby entitling Seller to assert all its rights and remedies hereunder.
